

LICENSE AGREEMENT

This dataset is provided under a non-exclusive commercial license.

You are permitted to:

- Use this dataset for training, testing, and evaluating AI and machine learning models.
- Incorporate this dataset into internal research and development projects.
- Publish research that references or includes insights gained from this dataset.

You are not permitted to:

- Redistribute, resell, or share this dataset in raw or processed form with third parties.
- Use this dataset for any unlawful or unethical purposes.

All participants have provided written consent for the commercial and AI-related use of their recordings.

For questions or extended licensing, please contact:
